23 **ARIZONA DEPARTMENT OF WATER**  
24 **RESOURCES' NOTICE OF ERRATA**  
25 **CONCERNING DEMONSTRATION**  
26 **PROJECT REPORT**

(Assigned to the Hon. Mark H. Brain)

**DESCRIPTIVE SUMMARY:** This notice of errata is being filed to correct one of the figures in the Demonstration Project Report Concerning *De Minimis* Uses and Cone of Depression Tests.

**NUMBER OF PAGES:** Three

**DATE OF FILING:** February 1, 2017

On January 27, 2017, the Arizona Department of Water Resources ("ADWR") filed its Demonstration Project Report, which presents methodologies for implementing

1 court-ordered procedures for the summary adjudication of *de minimis* uses, and deploying  
2 cone of depression tests. The report includes several figures.

3 Figure 3-2 consists of both an upper figure and a lower figure depicting distances  
4 between a selected well to certain boundaries. The upper figure is complete and includes  
5 the correct distances between the well and the boundaries. The lower figure omits several  
6 vertical boundary lines and, due to a typographical error, incorrectly lists the distance  
7 between the impermeable boundary and the well.

8 Attached to this notice is a corrected version of Figure 3-2. The corrected version  
9 also is being included in the Demonstration Project Report that has been posted on  
10 ADWR's web page.

11

12 **DATED** this 1st day of February, 2017.
