

**CHAT LOG FOR THE GOVERNOR'S WATER AUGMENTATION, INNOVATION, AND  
CONSERVATION COUNCIL MEETING**

**Meeting Recording [Link](#)**

**June 28<sup>th</sup>, 2022**

**from Gerry Walker to Everyone 10:02**

I lost sound when John is speaking

**from Carol Ward to Everyone 10:02**

We lost audio. We will return momentarily

**from Misael Cabrera to Everyone 10:02**

Director, we can't hear anything.

**from Carol Ward to Everyone 10:15**

Please note that if you are not a member of the Council, we ask that you hold questions and comments unless invited by the Chair to speak at the end of the meeting. Thank you.

**from Misael Cabrera to Everyone 10:30**

Great work! Congratulations to all. Historic legislation. I suggest establishing numeric goals for increased supply as soon as possible.

**from Cheryl Lombard to Everyone 10:31**

Thank you to the Governor, Legislators, and all of the stakeholders for coming together on this historic/bold action. This is so very important for now and our future. No need for me to read my comments aloud. Congratulations!

**from Chris Udall to Everyone 10:32**

Just a huge thank you to so many. Glad this was able to get accomplished this session!

**from Chuck Podolak SRP to Everyone 10:58**

Is there a meeting set for the ARC?

**from Misael Cabrera to Everyone 10:59**

The brutal reality is always difficult and nevertheless essential (chat only comment).

**from Chuck Podolak SRP to Everyone 10:59**

Thank you!

**from JW Jennings to Everyone 10:59**

Green Star has been submitting presentations on what Arizona can do to provide new clean water for consumption

**from JW Jennings to Everyone 11:00**

Two projects, one is to bring water from Mexico, the other project is to provide clean water in Arizona.

**from Russell Smoldon to Everyone 11:02**

Thank you to the DWR team, The Gov, Rep Griffin, Sen Kerr and Sen Otondo. Really great work everyone. Lots more to do but great Arizona start!
