Director Buschatzke,

The Central Arizona Groundwater Replenishment District (CAGR) appreciates the opportunity to submit comments on ADWR's Draft Substantive Policy Statement Regarding the Drought Volume Exemption (DVE). After reviewing the draft policy statement, and as indicated by the Department at its November 30th meeting, CAGR looks forward to coordination with the Department on administrative processes - including annual reporting, invoicing and timing of the Department's DVE determination associated with CAGR Member Service Areas that may participate in the program.

Sincerely,  
Laura Grignano
