RECOVERY METHODS

Recovery Exchange – Recovered AWBA credits are exchanged with a recovery partner’s CAP supply.

Indirect – Recovered AWBA credits are pumped and delivered by a recovery partner to fulfill a portion of a CAP water order.

Direct – Recovered AWBA credits are pumped and then returned to the CAP system for delivery.

Decision Tree

Are AWBA Credits transferred to CAWCD?

YES NO

Is CAWCD recovering AWBA credits on behalf of subcontractors?

YES NO

Is CAWCD recovering with a partner?

YES NO

1. Recovery Exchange
2. Indirect
3. Direct

CAWCD Policy for Allowing the Use of the CAGRD Long-Term Contract to Satisfy the AWBA’s Firming

Direct - Wellfield with delivery into the CAP Canal

Opting out of receiving AWBA Credits
