How To Search Imaged Records

1. Visit https://new.azwater.gov/ to get to the homepage of ADWR’s website.

2. Navigate to ‘Online Services’ and hover to view the options. Click ‘Imaged Records’ from the drop-down menu.

3. On the dropdown menu for the ‘Imaged Record’ criteria box, select ‘Groundwater Document’. If you know the right number you are looking for, enter that in the ‘Right Number’ criteria box. If you do not know the right number, you can enter the owner’s name in the ‘Owner’ criteria box.

   Click ‘Search’.

   This will bring up all Imaged Records for the entered criteria.
