**APPLICATION FOR MATERIAL PLAT CHANGE REVIEW**

This application is to evaluate changes that have occurred to a plat since a Certificate of Assured Water Supply (Certificate) or Water Report has been issued for the subdivision. Certificates are issued based on the subdivision's plat and in the names of the property owner(s). If a plat is reviewed after the Director issues a Certificate or a water report and the changes to the plat are material, the holder may: 1) apply for a new certificate or water report for the revised plat, 2) use the original plat for which the certificate or water report was issued, or 3) revise the plat so that any changes are not material.

Changes to a plat that are considered material are described in A.A.C. R12-15-708.

**NOTICE**

A.R.S. § 41-1030(B), (D), (E) and (F) provide as follows:

B. An agency shall not base a licensing decision in whole or in part on a licensing requirement or condition that is not specifically authorized by statute, rule or state tribal gaming compact. A general grant of authority in statute does not constitute a basis for imposing a licensing requirement or condition unless a rule is made pursuant to that general grant of authority that specifically authorizes the requirement or condition.

D. This section may be enforced in a private civil action and relief may be awarded against the state. The court may award reasonable attorney fees, damages and all fees associated with the license application to a party that prevails in an action against the state for a violation of this section.

E. A state employee may not intentionally or knowingly violate this section. A violation of this section is cause for disciplinary action or dismissal pursuant to the agency's adopted personnel policy.

F. This section does not abrogate the immunity provided by section 12-820.01 or 12-820.02.
